

ARABIAN RANCHES III

CAYA

THE LEGACY CONTINUES

Arabian Ranches III marks the continuation of a legacy that started in 2004. Since then, we have been crafting and perfecting Dubai's most established and sought after gated community.

Arabian Ranches III is the culmination of this story.

The background is a complex, layered composition. It features a base of torn, aged paper in shades of beige and cream. Overlaid on this are numerous wavy, translucent lines in muted tones of sage green, dusty rose, and pale yellow. These lines flow across the frame in a rhythmic, undulating pattern, creating a sense of movement and depth. The overall aesthetic is organic and artistic, reminiscent of a modern collage or a textured wall treatment.
