Daniel Libeskind's team has applied an ideology that is inspired by art, literature, philosophy and music.

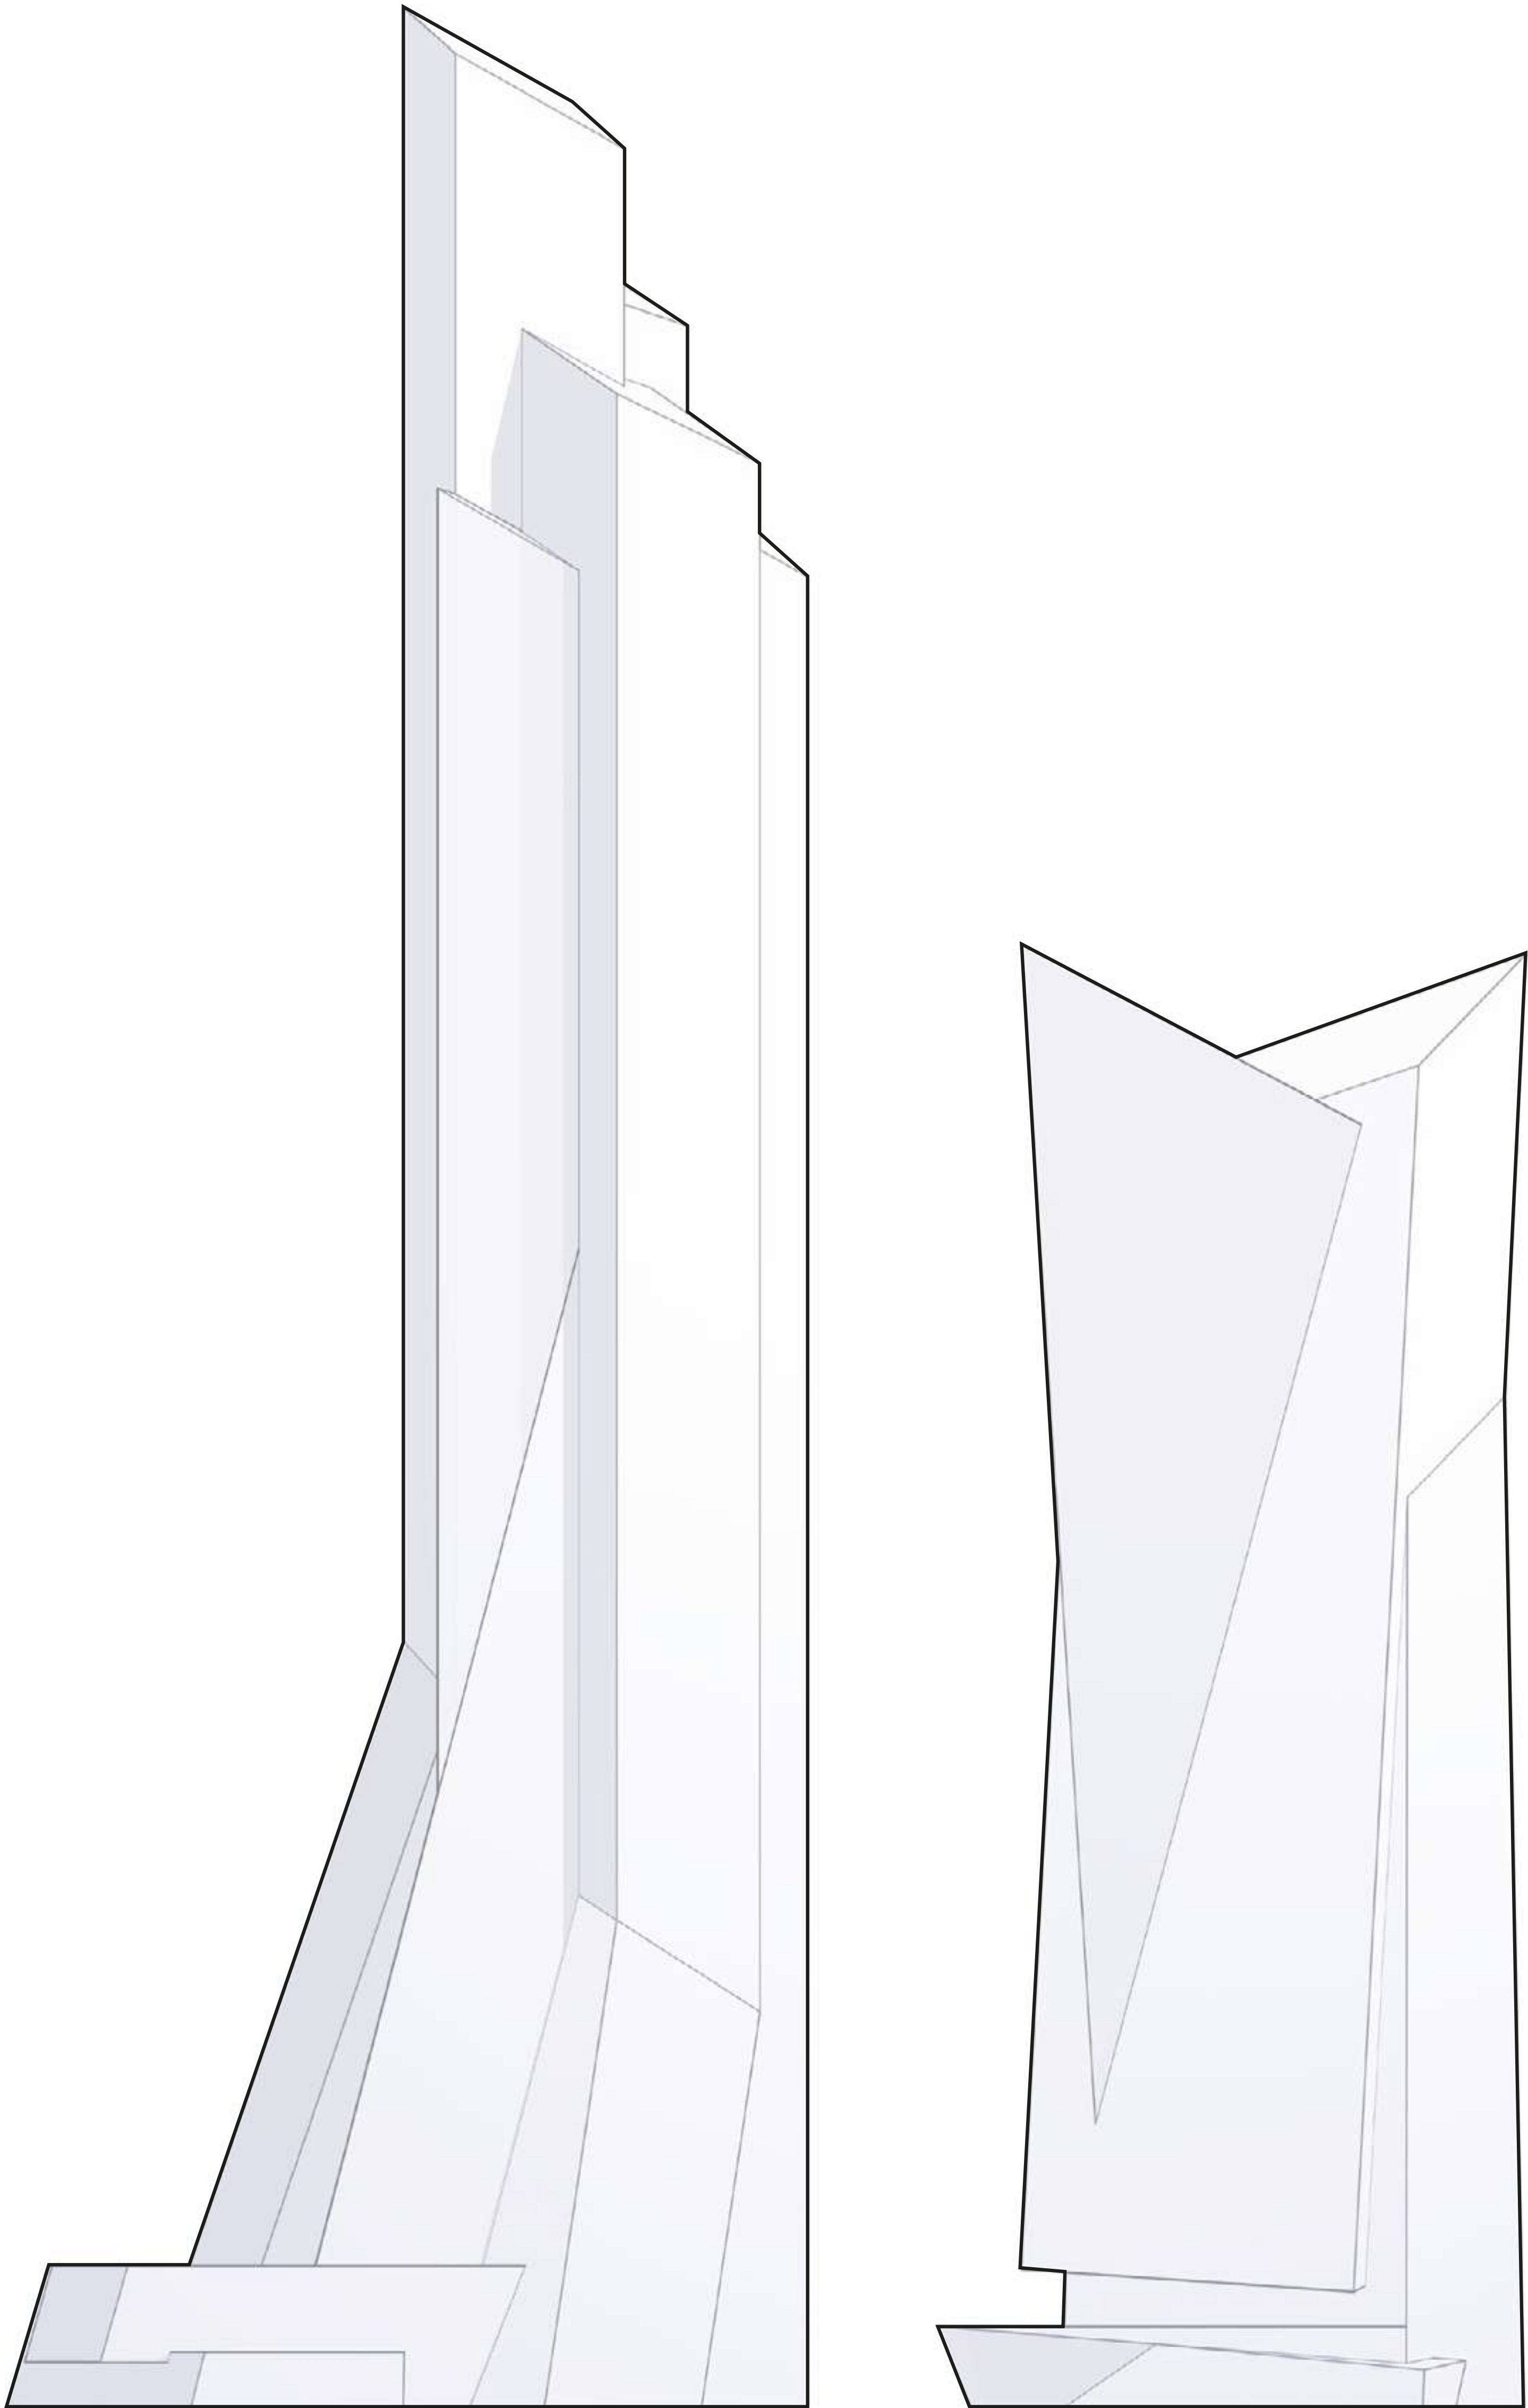

A SOPHISTICATED SENSIBILITY BY 1508 LONDON

Carefully layering and orchestrating exquisite fabrics, fine marbles, and shimmering crystals, the interiors invite you to explore a world of discrete opulence.

BUILDING INSPIRATION

Formed by a cluster of crystalline forms emerging from ground up, Tower 1 soars upwards into four prismatic branches that disperse the overall mass of the building with unobstructed views towards the Burj Khalifa in the northwest, as well as the iconic downtown Dubai skyline towards the south.
